Investment made by NRIs and foreign companies in industries

1455. DR. BAPU KALDATE: Will the PRIME MINISTER be pleased to state:

(a) what is the extent of investment of foreign companies and NRIs in the industries (till date) as compared to the investments made in 1993; and

(b) what are the names of indigenous industries in which the NRIs/multinationals are having 50% and more equity and what are the implications involved in so far interests of the Public sector/private sector industries are concerned?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) In 1994 (up to June) investment of Rs. 2457.71 crores from foreign companies, including NRI's, have been approved as compared to Rs. 8859.83 crores in 1993.

Actual inflow of foreign investment including NRI's is estimated at Rs. 1130.45 crores in 1994 (Up to June) as against Rs. 1786.00 crores in 1993

(b) NRI's/multinationals have been accorded approval for more than 50% equity investment in indigenous industries such as Trading, Food Processing, Footwear, Footwear Components, Industrial Instruments, Chemicals, Industrial Machinery, Mining Equipment, Electrical Equipment, Power Plant Generaton, Computer, Software, Hotels and Tourism, Medical Equipment, Metallurgical Industry, Microwave Radio Communication System and Engineering Services.

These investment proposals have been cleared in terms of existing policy for foreign investment which would bring attendant advantages of technology transfer, marketing and managerial expertise alongwith possibilities for promotion of exports. More than 80% of the investment has been approved in high priority sectors listed in Annex. III to the Statement on Industrial Policy, 1991
